Research Interests

- AI-Enabled Software Systems
- Multi-agent Systems

Education

M. Sc. Artificial Intelligence

Islamic Azad University

2025 – Present

B.Sc. Computer Engineering

Quchan University

GPA: 14.69

2020 – 2025 | Quchan, Iran

Relevant Professional Experience

English Institute Website - Mashhad, Iran

Relevant Coursework

Discrete Mathematics (B.SC.)

16.73/20

Algorithm Design (B.SC.)

16.40/20

Differential Equations (B.SC.)

19.00/20

Applied Linear Algebra (B.SC.)

16.30/20

Network Security (B.SC.)

16.00/20

Certificates

Introduction to Python

sololearn

Python Intermediate

sololearn

Technical Skills

Programming:

C++, Python

Backend:

Django, Django REST Framework, FastAPI, Nest.js

Frontend:

html, css, Next.js

Cloud/DevOps:

Docker, Docker compose, Linux

Data & Messaging:

SQLite, PostgreSQL

Artificial Intelligence:

Machine Learning, Deep Learning

Languages

Persian

Native - Mother tongue

English

Advance - IELTS 6.5 Academic

French

beginner - CEFR level A2
